

How Can I Help?

Do you have a pet peeve as you look around our campus?

Do you shudder at the crumbling gutters outside the social hall?

Are you put off by the threadbare carpet in the main office?

Do you wish you could have a conference call with various CBS staff or clergy?

Are you tired of those shabby looking back doors at the preschool?

There IS a Solution! Make a Directed Donation.

Send your donation with a note specifying which maintenance/repair/upgrade you'd like your funds to go toward.

Tell us whether we can publish your name or whether you'd prefer to remain anonymous.

We'll ever so gratefully honor your wishes!

Give your (unused) Stuff!

No need to spend time organizing a garage sale. CBS can use some of what you no longer need.

Send us your empty inkjet cartridges and BART tickets with small amounts still left—we'll get cash!

How about some copy paper (still wrapped) or unused office supplies? Our office can use them.

Got an unused but working Windows based computer hiding in a corner? The library's computer just died an agonizing (to the librarians!) death.

Need to work off some calories? Give CBS some of your Time!

Come weed, prune and dig as we maintain our landscaping. Help perform other periodic tasks around the shul. Or exercise the artist in you by painting where it's needed.

You'll feel good—inside and out. And remember, patting yourself on the back is good exercise, too.

For more for more information, contact Evan Nakisher, EVP-Operations, at nakisher@comcast.net or the CBS office at 934-9446 or office@bshalom.org
