

To all Chavurot

Chavurot Photo Spread

Please submit a group photo of your Chavurah for inclusion in our photo spread. It doesn't matter if it's a serious or hilariously funny shot, we want it. If you have several photos you would like to submit, all the better. All hard-copy photographs will be returned to the office for pick-up after the issue is published.

Please remember to include the name of your Chavurah and the names of the members in the sequence they appear in the photo. If there are missing members, please include their names as '*Not in Photo.*' - Our preference for photographs is in an electronic format, however, we will be happy to scan them if this is not possible.

Don't be left out!

Deadline for receiving photos – January 31, 2006
